Feeding Directions

Luminance™ is a fortified conditioning supplement that is designed to add energy to the ration as well as providing supplemental vitamins, minerals and other essential dietary components. Luminance™ may be fed alone or mixed with feed depending on the intensity of physical activity, stage of reproduction, size and body condition of the horse.

Typical requirements:

Maintenance – 1 pound/head/day

Performance

Light to Moderate Work – 1-2 pounds/head/day

Intense Work – 2-3 pounds/head/day

Sales Preparation

Weanlings – 1-2 pounds/head/day

Yearlings & Mares – 2-3 pounds/head/day

Stallions – 1-2 pounds/head/day

Always provide a clean, fresh source of water as well as high quality pasture and/or hay.

Contact your dealer if you have any further questions about the use of Luminance™
