

# PROFORMA 12®

## PROBLEM SOLVING PERFORMANCE NUTRITION

- Designed to Assist in Managing Training and Racing Horses Suffering with Specific Respiratory Issues
- Oat Free – Reduced Dust
- Formulated to Meet the Requirements of the Race Fit Equine Athlete

Proforma 12® is a uniquely manufactured feed providing all the nutritional components required by world class equine athletes who are affected by these problems.

Proforma 12 makes available to the race horse a variety of energy sources in a moist, high fiber, reduced dust concentrate. Proforma 12 is an oat free ration utilizing beet pulp, a highly digestible fiber providing a unique source of energy. Calorie dense oil boosts the energy level of this highly palatable diet.

Proforma 12 is supplemented with Stamm 30® the industry's most highly valued equine, vitamin and mineral supplement. Stamm 30 is the mechanism for providing bioavailable sources of critical micronutrients to the performance equine.
